ABOUT PATHFORWARD

VISION

A world where everyone enjoys stability, dignity, and freedom from homelessness.

MISSION

To foster stability and dignity through transformative services and housing solutions.

OUR PROGRAMS

STREET OUTREACH

Daily street outreach to unhoused individuals, meeting people where they are.

DAY PROGRAM

Meals, clothing, showers, laundry, and program activities that restore routine.

EMERGENCY SHELTERS

97 beds year-round, with 40 additional beds during the winter months across 2 shelters.

HOUSING

Transitioning individuals from the street and shelter into permanent housing.

COMPREHENSIVE SERVICES

Case management, medical care, and behavioral health wrapped around every program.

MEDICAL SERVICES

Clinic, mobile outreach, in-home visits, and respite care with Safety Net providers.

WHO WE ARE

PathForward serves single adults in Arlington experiencing homelessness, unsheltered and in shelter, plus those we've housed who still need support to stay there. **We combine housing placement, health care, behavioral health, case management, and street outreach all under one roof,** meeting people where they are and staying with them through the work of staying housed.

Everyone deserves a home. What we do is complex. Why we do it is not.
